SCHOOL

DAYTON CHRISTIAN SCHOOL

Annual Costs

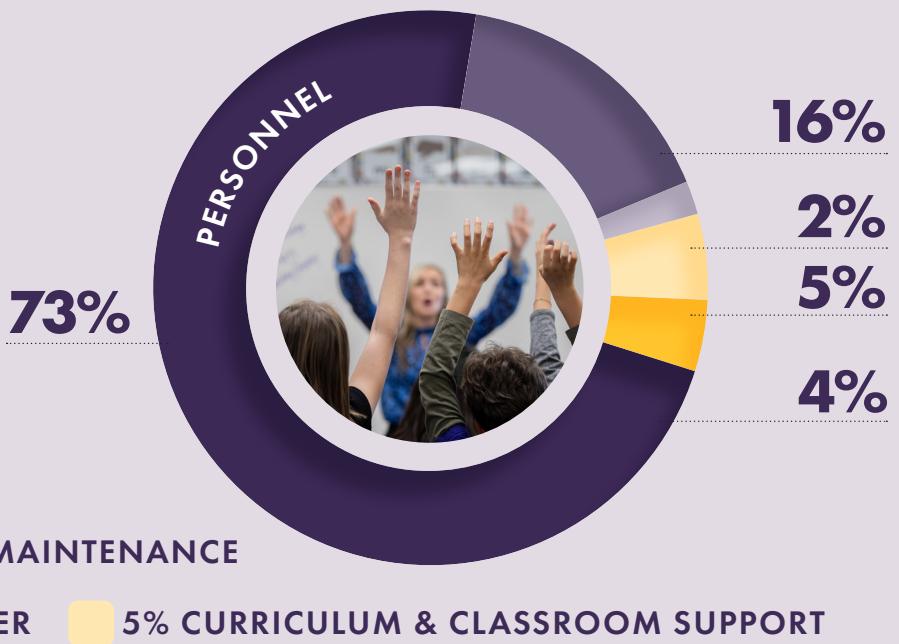

Dayton Christian School is a tuition-driven organization. The graph below helps illustrate how tuition dollars are invested each year.

2025-26 ANNUAL COSTS

3/4

Nearly three-fourths
of the school's
annual costs

**SUPPORT THE
COMPENSATION
AND BENEFITS FOR OUR
FACULTY AND STAFF.** Dayton
Christian is privileged to employ
175 faculty and staff members who
support our commitment to academic
excellence and God's absolute truth.

The daily maintenance and operations of our facilities and grounds is the second largest cost. This investment helps to support the daily use of our **240,000-square-foot facility** and **44-acre grounds** and ensures its viability for generations to come.

The remaining costs include items that are smaller, yet critical to our daily operations including – but not limited to – **marketing, cafeteria, digital software licensing, student events, and copier leases and supplies**.
