EdChoice Scholarship: Frequently Asked Questions

What is the EdChoice Scholarship?

Ohio's EdChoice Scholarship Program enables all Ohio students to receive vouchers to attend private schools. Students from families at or below 450% of the federal poverty level receive a full voucher (valued at \$6,166 for Grades K-8 and \$8,408 for Grades 9-12) while students in higher income brackets receive progressively reduced voucher amounts. Please Note: A family's size is also factored into the value of the voucher.

Is the EdChoice Scholarship only for students who reside in a failing school district or are considered low-income?

Historically, the scholarship program has only served students who reside in a failing school district or have a family income at or below 200% of the federal poverty level. This changed in 2023 when Governor DeWine passed a biennial budget that opened the scholarship program up to all families in Ohio. The amount of the full voucher received by each family is determined by their income level.

Who is eligible for the EdChoice Scholarship?

Every K-12 student in Ohio is eligible for the scholarship regardless of their family's place of residence or annual income. Please Note: This scholarship cannot be combined with the Jon Peterson Scholarship Program.

Do all schools accept the EdChoice Scholarship?

No. Only private schools like Dayton Christian that have become an EdChoice Scholarship Provider can accept the scholarship.

Do I have to be enrolled at Dayton Christian to get the scholarship?

Yes. Your student(s) must be enrolled at Dayton Christian first before the EdChoice Scholarship application can be submitted and accepted. Please Note: An EdChoice Scholarship Provider school is the only one who can submit your student(s) application to the state.
