Good job 7th grade teachers! Mrs. Hahn is a blessing to the 4th grade class! Keep lifting Him up!

We appreciate all the teachers who are called to teach at DC, but we especially appreciate the spiritual leadership, personal mentoring, and resounding positive impact Dr. Josh Tuttle has had on our son. Thank you!

We have four Warrior girls attending DCS. All of their teachers guide and nurture the Taylor Girls according to their natural inclinations, talents, and personality. Truly training up our children in the way they should go. Thank you!

Mr. Recker instills confidence in his students. They learn to value things they create with their own hands. DC students are learning the value of craftsmanship, which is often lost in our modern era. Thank you.

Mrs. Tighe has been an answer to our family's prayers. She is patient, kind, and willing to go above and beyond. We're so grateful for her!!

We are incredibly grateful to each and every person at DC who partners with us teaching our kids through a Christ-centered world view. Thank you DC!

Mrs. Mullen went above and beyond this year and came to cheer the 5th grade boys soccer team on!

All of our girls' teachers have been EXCELLENT. We are incredibly grateful for DC and their wonderful faculty/staff!

We are beyond impressed with the faculty and staff at DCPK! Mrs. Collins is incredible and Mrs. Curington and Mrs. Melcher are awesome as well! The care and support our daughter receives has allowed her to grow so much already!

I truly can't say enough wonderful things about all the teachers Regan and Ryland have had. Every single one of them have had a huge impact on both of them and I can't thank them enough.

My grandchildren attend Dayton Christian and are in the 1st and 3rd grades. I pray that leadership, teachers and staff will continue to demonstrate grace and direction, that is reflective of Christ's love to the children each day.

We are blessed to have teachers who love our son and demonstrate Godly values on a daily basis!

Our first year at DC, a teacher followed her conviction to introduce our family to another. That family is now very close to our entire family. We will travel to see them in a few weeks. Both families are thankful for Mrs. Mantz!

Wishing you all a beautiful season with abundant blessings this Christmas! Thank each and every one of you for doing all that you do every day! We appreciate you! Merry Christmas from our family to yours!

Thank you to all the teachers that continue to love on our children every day!

We are very thankful for how Ms. Fischer has inspired and educated our child in the advanced science and math classes.

They are all wonderful and we are so thankful for the hard work, dedication, and love they provide our kids.

Mrs. Pickens and Miss Lafferty have prayerfully shepherded our kindergartner. We are thankful for them.

Miss Johnston and Miss Baker have been incredible and exceeded all of our expectations for our preschool student. We are so blessed to be a part of the DC family.

The teachers have shown so much grace and mercy with my son. They have spent extra time helping him learn and helping him with homework and the things he just doesn't understand. I love how the teachers stay in contact with me.

DC teachers really care about each individual child.

They have all made a difference! We are so grateful for each and every one of them!

We love all of our DCPK family! Thank you for pouring so much into our daughter!

We love how many teachers have shown our kids love. Mrs. Rogers and Mr. Holliday helped lead our son to a relationship with Jesus!

My daughter loves to come home and tell me the very unique/fun ways Mr. Cunningham teaches history class. In addition, Mrs. Geiss has encouraged reading, and I think my daughter is actually starting to like it!

We have 5 grandchildren at DC. We are blessed by their teachers.

Ms. Golda, Mrs. Pickens, and Mrs. Comer are all fantastic. We love DC! Thank you to all staff.

Dayton Christian takes teaching to a whole new level!

We are new to Ohio and can't express how truly blessed we are to have found DC.

The entire team in the Pre-K group goes above and beyond in an extremely difficult job. I can barely handle 1 kid on any given day and they handle 10+ kids every day with true grace. What a blessing on our child's and family's lives!

Our son feels supported and loved at DC - the teachers and faculty create that environment.

We love the biblical foundation that the teachers are instilling in our child.

We support the unsung support workers in the Administration.

“**THANK YOU TO ALL TEACHERS.** We are **BLESSED** to have you. Thank you to all DC staff, we are **GRATEFUL** for your service.”
